REVISED ALLOCATION TO SUBCOMMITTEES OF BUDGET
TOTALS FROM THE CONCURRENT RESOLUTION, FISCAL
YEAR 1995

MAY 17 (legislative day, MAY 15), 1995.—Ordered to be printed

Mr. HATFIELD, from the Committee on Appropriations,
submitted the following

REPORT

The Committee on Appropriations submits the following report revising the 602(b) allocations to subcommittees set forth in Senate Report 103-264 (May 19, 1994), Senate Report 103-289 (June 20, 1994), Senate Report 103-337 (August 12, 1994), Senate Report 103-370 (September 21, 1994), and Senate Report 104-26 (April 4, 1995).

Section 25 of the concurrent resolution on the budget for fiscal year 1995, House Concurrent Resolution 218, provides for an increase in the aggregate totals and in the 602(a) allocation of the Committees on Appropriations of up to \$405,000,000 in both budget authority and outlays if the conditions specified in section 25 for funding of the Internal Revenue Service are met. On June 20, 1994, the chairman of the Committee on the Budget submitted to the Senate such a revised allocation, and the Committee on Appropriations filed its revised allocation.

Section 310001 of the Violent Crime Control and Law Enforcement Act of 1994 (Public Law 103-322; approved September 13, 1994) provided for reductions of \$2,423,000,000 in budget authority and \$703,000,000 in outlays, and the creation of a new category of spending—the violent crime reduction fund—to which a like amount of budget authority and outlays are available for allocation. On September 21, 1994, the Committee filed a revised allocation, consistent with this provision.

Section 302(e) of the Budget Act provides that at any time after a committee reports its allocations such committee may report to its House an alteration of such allocations. This report is submitted pursuant to the sections cited above.
